Collège O'Sullivan specializes in teaching programs of study that will lead directly to a successful career or will prepare students for university. Many of our graduates undertake university studies such as in the field of law, computer science or in health management.

All graduates have access to the Collège O'Sullivan Placement Service. This service is **free of charge and available throughout their career.**

SCHOLARSHIPS OFFERED

Collège O'Sullivan offers one academic scholarship of **\$500** in each DCS program to students in their last year of secondary studies. Fairfax Financial Holdings also offers one academic scholarship of **\$4000** to a high school graduate, for the duration of their studies at the college. This annual scholarship is awarded based on the high school academic record and financial need of the student. Find out more by consulting our brochure.

STUDENT FOR A DAY 2026 - 2027**Paralegal Technology:**

Wednesday, November 11th, 2026

Week of February 8th, 2027

Paralegal technology

Collège O'Sullivan invites students to spend a day at the college in the Paralegal Technology program. This is a wonderful opportunity for candidates to better evaluate the content of the program of study. Special class schedules are prepared, and lunch is served. It is important that students call or reserve their place online. Activities will be organized for other programs of study; details will follow on our website.

For any questions about our programs [Techniques d'administration et de gestion](#) ou [Social Work Technology](#), please don't hesitate to reach out during our Open house.

If you need more information or if you have any questions, please do not hesitate to contact us at 514-866-4622, option 1, toll-free 1(800) 621-8055 or send us an email at admission@osullivan.edu. Consult our website at: www.osullivan.edu.
