

**Psychoeducator
Children's Support Solutions (Parcours d'enfant), Morneau Shepell
Montreal East and Pointe-Claire, Quebec
Defined term opportunities**

Children`s Support Solutions

Children's Support Solutions by Morneau Shepell, is a leader in private multidisciplinary services in Canada. It stands out due to its great expertise in evaluation and intervention with children and adolescents while closely collaborating with their life environments. For almost 15 years, Children's Support Solutions has offered its services in speech therapy, special education, psychology, neuropsychology and psychoeducation to parents, private and public schools, and licenced childcare centres. We combine advanced skills, knowledge and our own client-oriented clinical tools with a deep understanding of the issues that affect all aspects of a child's development: cognitive, language, motor, social and/or emotional. Children's Support Solutions expertise hinges on the work of a multi-disciplinary team.

Summary

Reporting to the psychoeducation supervisor, you will provide psychoeducational services to school-age children (age 3-18) as well as support to parents, pursuant to the rules of professional conduct of the Ordre des psychoéducateurs du Québec. You will work with other members of the professional team, participate in multi-professional exchanges, perform psychoeducational evaluations and prepare intervention plans. Parcours d'enfant participates in special projects regularly, which affords professionals the opportunity to travel within and outside there region with a multidisciplinary team.

Responsibilities

- Provide psychoeducation services to children and adolescents;
- Provide psychoeducation services and parental guidance;
- Work in multiple service points (clinic and schools);
- Offer intervention training and support to staff in each service point;
- Stay informed with recent research and new approaches in the field of psychoeducation.

Succeeding as a Psychoeducator for Children`s Support Solutions will require the following core qualifications and skills

- Bachelor's or master's degree in psychoeducation;
- Member in good standing of the Ordre des psychoéducateurs du Québec
- Experience offering psychoeducation services to children/adolescents and with parental guidance;
- Bilingual (Fr/En);
- Experiences offering psychoeducation services in school's would be an asset;
- Experience offering psychoeducation services in a private clinic is an asset.
