

**COMPUTER TECHNICIAN
REGULAR FULL-TIME
BLANC-SABLON (QUÉBEC)**

NATURE OF THE WORK

The principal and customary work of an employee in this class of employment consists in programming or modifying in-house applications, managing networks, repairing complicated breakdowns for computer users and assisting computer analysts in the development and implementation of systems.

CHARACTERISTIC FUNCTIONS:

The employee in this class of employment programs or modifies applications using appropriate programming languages in order to meet the specific needs of users; he or she tests software and programs and, if necessary, adapts them to ensure that they are compatible with existing systems and that they meet the needs of users.

He or she manages, installs and configures systems or oversees the installation of components according to the procedures he or she establishes; tests, modifies and upgrades computer networks; develops and oversees the application of various procedures related to the use of networks and equipment, particularly those concerning backup copies, destruction of obsolete files and equipment maintenance.

He or she acts as a resource person for the complicated breakdowns of equipment and software, particularly with regard to the installation and configuration and, if need be, carries out installations and configurations.

He or she drafts instructions for software and applications and participates in the training of users.

He or she formulates suggestions and recommendations concerning the purchase of computer equipment.

He or she may assist analysts in the analysis, development and implementation of computer systems, as needed. He or she may oversee computer-related work.

He or she may be required to train less experienced technicians as well as coordinate the work of support staff in performing duties related to the implementation of programs involving technical operations for which he or she is responsible.

If need be, he or she performs any other related duty.

REQUIRED QUALIFICATIONS:

- Hold a Diploma of College Studies in Computer Science Technology or in Computer Science Technology in an appropriate specialty for the class of employment or a diploma or an attestation of studies recognized as equivalent by the competent authority.
- Bilingual: French and English (spoken and written).

SALARY AND CONDITIONS OF EMPLOYMENT:

- Salary between \$ 24.21 and \$ 32.32;
- Possibility of teleworking;
- 4 weeks of vacation (depending on the hiring date);
- 7 days of illness;
- Very advantageous pension plan (RREGOP);
- Group insurance plan;
- Tele-medicine program;
- Employee assistance program.
